B. Submitting Comments.

Please include Docket ID NRC-2017-0064 in the subject line of your comment submission, in order to ensure that the NRC is able to make your comment submission available to the public in this docket.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. The NRC will post all comment submissions at <http://www.regulations.gov> as well as enter the comment submissions into ADAMS, and the NRC does not routinely edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background.

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* NRC Form 241, "Report of Proposed Activities in Non-Agreement States, Areas of Exclusive Federal Jurisdiction, or Offshore Waters"
2. *OMB approval number:* 3150-0013
3. *Type of submission:* Extension
4. *The form number, if applicable:* NRC Form 241
5. *How often the collection is required or requested:* NRC Form 241 must be submitted each time an Agreement State licensee wants to engage in or revise its activities involving the

use of radioactive byproduct material in a non-Agreement State, areas of exclusive Federal jurisdiction, or offshore waters. The NRC may waive the requirements for filing additional copies of NRC Form 241 during the remainder of the calendar year following receipt of the initial form.

6. *Who will be required or asked to respond:* Any licensee who holds a specific license from an Agreement State and wants to conduct the same activity in non-Agreement States, areas of exclusive Federal Jurisdiction, or offshore waters under the general license in section 150.20 of title 10 of the *Code of Federal Regulations* (10 CFR).

7. *The estimated number of annual responses:* 1,720 responses

8. *The estimated number of annual respondents:* 200 respondents

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 480 hours (100 hours for initial submissions + 380 hours for changes + 0 hours for clarifications)

10. *Abstract:* Any Agreement State licensee who engages in the use of radioactive material in non-Agreement States, areas of exclusive Federal jurisdiction, or offshore waters, under the general license in 10 CFR 150.20, is required to file, with the NRC Regional Administrator for the Region in which the Agreement State that issues the license is located, a copy of NRC Form 241, "Report of Proposed Activities in Non-Agreement States, Areas of Exclusive Federal Jurisdiction, or Offshore Waters," a copy of its Agreement State specific license, and the appropriate fee as prescribed in 10 CFR 170.31 at least 3 days before engaging in such activity. This mandatory notification permits the NRC to schedule inspections

of the activities to determine whether the activities are being conducted in accordance with requirements for protection of the public health and safety.

III. Specific Requests for Comments.

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the estimate of the burden of the information collection accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated at Rockville, Maryland, this 20th day of March 2017.

For the Nuclear Regulatory Commission.

David Cullison,
NRC Clearance Officer,
Office of the Chief Information Officer.
